

Wife Of Y-12 Safety Man Gets 'Most Courteous Driver' Award

Mrs. Bentley's Carefulness Pays Off In Event
Sponsored By Y-12 Man To Promote School Safety

All safety-minded Y-12ers can point with pride to the recently concluded "most courteous driver" in contest in Oak Ridge—for it was a wife of a Y-12er who won the event, which was in turn conceived by another Y-12 employee.

Mrs. Martha Lynn Bentley, 124 Georgia Ave., wife of Ernest L. Bentley, of the Y-12 Safety Department, drove and talked herself into the winner's spot in the contest. S. C. Simmons, of the Maintenance Shops Department, was the moving spirit behind the event, the full name of which was "A Contest to Find the Most Courteous Driver Around School Zones."

The contest was divided into four weekly periods in which winners were selected and a final radio quiz over Oak Ridge Station WATO when the winner was determined by correctness of answers to questions on safety. Mrs. Bentley was one of the four victors in the weekly contests and went on to win the final quiz session held Monday night, June 9.

Two Other Finalists Women

Two others of the finalists were women—Mrs. B. L. Patton and Mrs. Russell Field, with the other contestant being Jesse L. Clark.

George W. Flack, Assistant Industrial Relations Superintendent of Y-12 and chairman of the Oak Ridge Chapter of the American Red Cross, presented Mrs. Bentley with a certificate from the Oak Ridge Safety Council for winning the contest. She also received two theater tickets, two steak dinners and an invitation to the annual dinner of the Oak Ridge Safety Council. Flack was one of the judges of the finals, others being F. C. Lowry, Superintendent of the Y-12 Personnel Division; and Sgt. Lee Whittenberg, of the Oak Ridge Police Department. The judges, however, had little to do as Mrs. Bentley answered all of the safety questions given her in a crisp and accurate manner, leaving no doubt of her sincerity in the spirit of safe driving and knowledge of automobile safety rules and principles of courtes.

Idea Heartily Supported

Simmons conceived the "most courteous driver" plan several months ago. He is chairman of the Willow Brook School safety committee and also a member of the Safety Council school and child safety section. He interested Parent-Teacher groups, the Safety Council and school authorities throughout the city. All enthusiastically supported the plan.

The contest plan called for appointment of special pupil patrols at each school to carefully observe drivers in the vicinity of the school and their conduct in passing through school zones. These patrol members were not members of the regular safety patrols, as it was

Planned Vacations Service Is Offered

A new service for prospective Y-12 vacationers and travelers that is full of accurate and important information for tourists is being by the Y-12 Recreation Office, North Portal.

The new service offers planned vacations, making travel intellectually stimulating, enjoyable, restful, entertaining and guaranteeing that the vacationer will not miss a thing of interest on any trip. The planned vacations take the guess work out of travel.

The plan is offered by the Lang's Vacation Tour Book, a nationwide organization that is a member of the National Association of Travel Organizations, Inc.

Complete Information Offered

Whether the vacationer plans to travel by automobile, train, bus or airplane, the Long's service is prepared to provide complete information for travelers going to any one of the 48 states of the union, District of Columbia, Canada or Mexico. Tourists are offered maps, booklets and brochures full of information about hotels, resorts, motor courts, highways, national and state parks, recreation areas for fishing and hunting and historical sites.

The Y-12 Recreation Office has just received booklets outlining the Long's offer and carrying an application blank to mail for detailed information desired by vacationer or particular destinations. The complete information is available for only \$1.

\$1 Fee Mailed Direct

The Recreation Office itself does not issue the information, nor does it handle the \$1 fee charged to cover cost of postage, wrapping and mailing of the information by

THE MOST COURTEOUS DRIVER OF THE MONTH

and in grateful acknowledgment of the safe driving in our school zones while children were entering and leaving the school area, this token is presented to

Mrs. E. L. Bentley
George E. Miller
TENNESSEE SAFETY COUNCIL
OAK RIDGE SAFETY COUNCIL
MAY June 9, 1952

MRS. MARTHA LYNN BENTLEY, CENTER IN TOP PICTURE, receives her citation for being Oak Ridge's "Most Careful Driver Around School Zones" from S. C. Simmons, of the Y-12 Maintenance Shops, who conceived the idea of the contest as a safety promotion move. At right is Ernest Bentley, of the Y-12 Safety Department, husband of the winner. The lower picture shows the certificate awarded Mrs. Bentley. It is signed by George E. Miller for the Tennessee Safety Council and Walter C. Rothermel for the Oak Ridge Safety Council.

P. W. G. Neilson Will Retire On July 1 After Eight Years Of Service In Y-12

After eight years of valuable service to Y-12 as a senior engineer in the Research Engineering Department, P. W. G. Neilson is scheduled to retire from the Company on July 1. He was employed in Y-12 on October 12, 1944.

Original Retirement Deferred

Neilson originally was scheduled to retire on July 30, 1950, but because of the importance of certain engineering work in which he was engaged at that time, the retirement was deferred.

A native of Gothenburg, Sweden, where he was born June 25, 1885, Neilson came to the United States

nearly 50 years ago and has spent practically his entire adult life in this country. He became a naturalized citizen of the United States on March 17, 1925, at Greensboro, N. C.

Attended Gothenburg University

In his native Sweden he received his elementary school training and then graduated from the famed Gothenburg University after taking a seven-year course. He also attended the Sala Technical School in Sweden in 1910-1912 and served in the Swedish army in 1907 under the compulsory military service laws of that country.

He came to Y-12 from the Fairchild Aircraft Corporation in Burlington, N. C. Prior to that time he worked at the United States Navy Yard in Charleston, S. C. and with machinery firms in Greensboro and also at Rochester, N. Y. He was owner and proprietor of the Reliance Machine Co. there for the five-year period from 1935 to 1940, selling out to the NYA Defense Shops in 1940 and remaining with the NYA to operate the concern.

No Immediate Future Plans

Neilson has no immediate plans for the future except to work around his home in Fountain City with his wife. They may move to Florida, but this is uncertain, he declared.

He is a member of the Masons and Shrine, being a member of Kerbel Temple, Knoxville, and the Oak Ridge Shrine Club.

P. W. G. NIELSON, LEFT, AN ENGINEER IN RESEARCH Engineering, receives congratulations on a good job done in his eight years in Y-12 from Ernest Zurcher, head of the department. It also was a farewell clasp, as Neilson is to retire on July 1.

Y-12 First Aid Teams Training For 1952 Event

Company Committee Sets
Meeting Today On Rules
With Judge C. H. Dodge

Y-12ers interested in first aid responded enthusiastically last week when calls for organization of teams to represent the plant in the sixth annual Carbide First Aid Contest were issued. The event will be staged at 7:30 o'clock Saturday night, August 23, at Blankenship Field, the high school football park.

Ready For Training

At least six teams already are formed and are ready to begin training work this week. All are from the Maintenance and Engineering Divisions. Other teams are in the process of organization in other divisions, including Industrial Relations, Chemical and Manufacturing Offices. Several individual departments also are reported planning teams, including Health Physics and others.

With this response, it is expected that more than the 14 teams that represented Y-12 last year will be on the line for the 1952 contest.

Training of the Y-12 teams will be handled by the Training Department in its quarters in Bldg. 9704-2.

Will Discuss Rules Today

Meanwhile, members of the four-plant Carbide committee in charge of arrangements for the contest will meet in the Y-12 Training Department today, Wednesday, June 18. The committee is composed of Lloyd Williams, Y-12; James E. Campbell, K-25; B. G. Catron, Oak Ridge National Laboratory; and Roy N. James, of the Paducah Plant. Meeting with the committee today will be C. H. Dodge, of the United Bureau of Mines health and safety division, Jellico, Tenn., who will be chief judge of the contest. The committee and Dodge will discuss field rules for the contest at the session today.

The Paducah plant, with only one team entered last year, captured the Company trophy awarded the plant with the winning team and which must be won twice in succession to fall into permanent possession of any one plant. Since the trophy was offered for competition in 1949 no one plant has been able to score a repeat victory to retire the award. It was won in 1949 by a Y-12 Fire Department Team. In 1950 a K-25 Guard Department group was victorious and last year it went to Paducah.

Y-12 Man Is Seeking To Form Rocket Group

How many Y-12ers are interested in the swoosh of rockets, roar of jet propulsion and the cleaving of futuristic aircraft through space? Then stand by for a date of a tentative organizational meeting of an Oak Ridge Section of the American Rocket Society some time next week, beginning Monday, June 23.

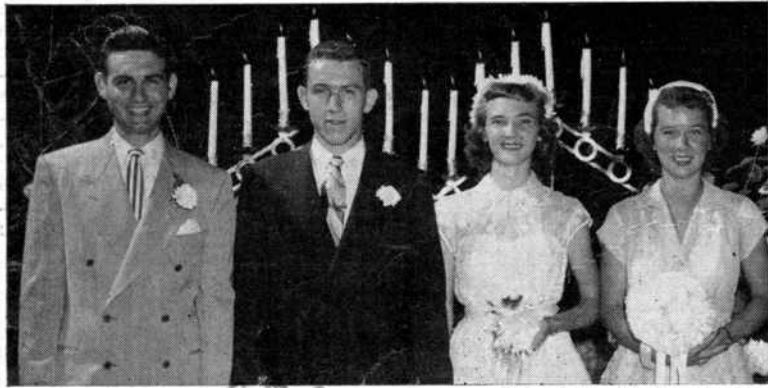

The moving spirit behind formation of the section is Robert W. Bussard, of the ANP Division in Y-12. He wants anyone interested in forming and joining such a group or rocket enthusiasts to communicate with him in Y-12 at Bldg. 9201-3, telephone 7537, or at his home telephone 5-1729.

According to Bussard, the American Rocket Society is a national technical organization devoted to the dissemination of information on rocket and jet propulsion. The society sections also receive information on and discuss developments in the fields of guided missiles, space travel and allied subjects. Speakers will talk on technical problems of phases of space travel and propulsion at local section meetings, if a local group is formed.

Before coming to work with the ANP Division, Bussard was associated with rocket matters in a rocket project at Hughes Aircraft concern at Los Angeles, Cal.

Five Y-12 employees become parents of babies born recently at the Oak Ridge Hospital. Dan W. Garland, Maintenance Shops, became father of a boy June 6. Alfred L. Conte became father of a girl June 7. On June 8 Solomon D. Blessing, Research Services, was father of a girl. Leon Love, Isotope Research Services, became father of a boy June 9. On June 10 Edward Bailey, Uranium Control, was a father of a boy.

Y-12 Photo By Vince Moore

PRINCIPALS IN THE O'KAIN-McGINNIS WEDDING PARTY on Sunday, June 8, at the Robertsville Baptist Church are shown above. In center are William O'Kain, a University of Tennessee student, and his bride, the former Ruby McGinnis, of the Y-12 Security Department. At right is Bonnie Roberts, also of Y-12, maid of honor. At left is Newell Mack, best man. O'Kain is the son of Grady O'Kain, another Y-12er, and Mrs. O'Kain and the bride's parents are Mr. and Mrs. H. H. McGinnis, of Philadelphia, Tennessee.

Don Matlock and C. E. Harris, of Research Services, and their wives are taking over the town of New Orleans, La., while on vacation this week. . . . John G. Harris is visiting his father in North Carolina this week. . . . Mary Fox's husband, Sfc. Earl C. Fox, was home on leave last week from Camp Brechinridge, Ky., to attend the funeral of his uncle in Concord. . . . The Stone brothers, A. E. and N. A., are on this week's vacation list. . . . While C. C. St. John elected to take his two-week vacation at once. . . . W. T. Mitchell, J. V. Meece, C. C. Sharp, A. A. Koes and E. R. Pollard are back after a week of vacation. . . . F. O. Gaddis is still on the sick list and a get-well wish again is extended to him.

Ray Buxton, of the Analytical Chemistry Division, spent a few days of his vacation in Dayton, Ohio. He said he had to come back to Oak Ridge to get cool again. . . . Helen Grady flew to East Lansing, Mich., on June 7 to attend her sister's graduation at Michigan State, and after the exercises they went to their home in Michigan, where Helen spent last week's vacation.

Folks in Research Engineering welcome some newcomers to their group, namely: Connie Newman, Leonard Mitchum, William George, Gene Palmer and John Agee. . . . People down that way are congratulating Al Conte at the birth of a baby daughter June 7, at the Oak Ridge Hospital. . . . Jean Craig and her husband, Raymond, chose Gulf Shores, Ala., as their vacation spot.

L. H. Perry, of the Fire Department, is spending his two-weeks at home in Knoxville helping to take care of that new baby. . . . Chief W. O. Elam attended a N.E.T.A. meeting in New York last week. . . . H. L. Miller declared that he was going to spend his vacation last week digging potatoes at his place in LaFollette.

Aside from going to Chattanooga to enter the State Golf Tournament and a few days in Asheville, N. C., our recreation supervisor, Arnold Tiller, is spending his two weeks with pay in and around Oak Ridge. . . . J. R. Whitecomb, in Insurance and Housing, is likewise taking a week to be at home in the fair city. . . . George W. Dobbs, editor of The Bulletin, went over to Nashville last Friday and Saturday to attend a meeting of the University of Tennessee institute for industrial editors. He took Marc Sims, editor of the Carbide Courier at K-25 and a former Y-12er, along with him. . . . Their wives didn't trust them — much. They went alone, too.

J. R. Thorpe, of Maintenance Shops, and his family are vacationing down Old Mexico way for two weeks. . . . E. R. Easterday has returned from a week's vacation spent fishing in Oklawaha,

Fla. . . . J. B. Price also chose Florida for his vacation spot last week. . . . A. H. Kimsey spent his week in Alabama. . . . W. W. Chilcoat went the same way for his week of vacation. . . . G. L. Tate decided the best place for a week's relaxation was to be found in our state of Tennessee. . . . L. R. Bledsoe spent last week's vacation in Virginia. . . . J. W. Dowell has been vacationing in Colorado the past two weeks. . . . A. T. Sharp and H. N. Wright are back on the job after a week's vacation. . . . Russell Hopper has his daughter home from Union College, Barbourville, Ky., for the summer. . . . W. K. Forrester and Russell Hopper went on a recent weekend fishing jaunt over to Fort Loudoun Lake where Forrester finally broke his jinx and caught two fish. . . . Congratulations to Wilma Banner, who became Mrs. Stanley Curtis on June 7.

Flossie Smith, of the Laundry, is visiting relatives in Bloomington, Ill., for a few days and is spending most of her two-week vacation at home in LaFollette.

F. A. Watson, of the General Maintenance Offices, decided that home was the best place for him at vacation time—he is back after a week and we hope he caught up on his rest. . . . The Department welcomes Sarah Culbert to the roster.

Aretta Craig, of Safety, was back on the job last week after a peaceful week's vacation in Oak Ridge. . . . Lee Bagwell and his young son, Bobbie, made a recent week-end trip to Nashville to bring his older son, Tom, home from David Lipscomb College for the summer.

Folks in the Plant Engineering Department extend sympathy to Finis Patton at the recent death of his mother.

Birdie Fitzgerald, of Manufacturing Offices, is visiting in Aiken, S. C., this week. . . . R. R. Tippy spent last week visiting his mother in Carterville, Ill. . . . Pearl Patty is vacationing this week. . . . A welcome goes to Phoebe Cook, the latest addition to the roster.

Frances Smith, of Property, vacationed in Fayetteville last week. . . . The department welcomes Sue Rueff.

J. D. McGuffin, of Stores, has returned from a week of vacation at home in Oak Ridge. . . . W. C. Davis is on a two-week vacation, and Mildred Reynolds has returned from a two-week vacation. . . . George DeLozier and his family spent last week visiting his wife's folks in Beckley, W. Va. They returned by way of Lynch, Ky., to visit awhile with relatives there. . . . L. H. Guettner spent his week off at home in Kingston. . . . A. V. Bible stayed pretty close to home while on vacation last week.

Property Sales congratulates O. W. Patrick on the birth of a baby daughter whom they named Alice June—she was born June 5, in Oliver Springs. . . . A welcome back to Bill Coggins after an illness.

The Superintendents Department is missing June Messer since her recent resignation. . . . Athala Markland had her parents visiting in Oak Ridge a part of last week—the Marklands spent a few days of the week at Myrtle Beach, S. C.

The Chemical Department extends sympathy to Joe Williams, whose father-in-law died in Galax, Va., June 11.

The Medical Department welcomes Cordia Mae Bledsoe and Gloria Hoff to their roster. . . . Congratulations go to Dr. Charles E. Stansberry, who is the father of a baby daughter born last week at St. Mary's Hospital, Knoxville. . . . Virginia Slusher and her husband, Bob, of Plant Engineering, spent the week end in Christiansburg, Va.

G. H. Clewett was given a hearty welcome back by the Materials

Photo By Vince Moore

FRIENDS OF MISS JOAN GILLIAM, WHO WAS MARRIED Saturday to Lt. W. M. Ramey, entertained the bride-elect with a crystal shower Tuesday night, June 10. Guests at the shower, shown above, are front row from left, Bertie Bond, Alicia McClary, Pat Parrish, the honoree Miss Gilliam and Mrs. Ann Wachter Ramey, sister of the groom-elect. In the rear are Harriet Kiser, Rosalind Smith, Jean Isbell, Joanne Kelly and Jean James. Misses Kelly and James were hostesses.

RAMEY - GILLIAM

In a colorful ceremony at the Chapel-On-The-Hill last Saturday afternoon, June 14, Miss Frances Joan Gilliam was married to Lt. William Millard Ramey, U. S. A. The wedding was solemnized at 4 o'clock by Dr. LeRoy Martin, president of Tennessee Wesleyan College, assisted by the Rev. Frank Porter, pastor of the Oak Ridge First Methodist Church.

The bride is the daughter of Mr. and Mrs. J. W. Gilliam, 131 Villa Nova Road, Oak Ridge. Mrs. Gilliam is with the Y-12 Materials Chemistry Division. Lieutenant Ramey is the son of Mr. and Mrs. Hubert O. Ramey, 100 Kingsley Road, Oak Ridge. The father of the groom is Industrial Relations Superintendent of Y-12.

The bride was given in marriage by her father. During the ceremony music was provided by Kay Mason, soloist, and Mrs. Harry Carper, organist.

For her wedding the bride chose a white gown of marquisette and hand-clipped Chantilly lace with a cathedral length train. Her veil of silk illusion fell from a matching Juliet cap of lace. She carried a bouquet of white roses and lily of the valley centered with a white orchid.

The maid of honor was Miss Elizabeth Gail Gilliam, sister of the bride. She wore a yellow dress and carried yellow roses centered with a white chrysanthemum. Mrs. Charles Knowles, sister of the groom, was matron of honor. Her gown was of green with a taffeta jacket. Her flowers were Talisman roses with a white chrysanthemum.

Bridesmaids were Misses Mary Walker, Atlanta, Ga.; Bobbye Jean Slater, Augusta, Ga.; Ann Gore, Raeford, N. C.; Agnes Hamblen, Durham, N. C.; Dinky Crutcher, Savannah, Ga.; and Marcia Drake, Asheboro, N. C. They carried colonial bouquets of tinted roses matching their dresses and with contrasting bows.

Neil Cooper was best man. Ushers were Charles Knowles and John Wachter, of Oak Ridge, brothers-in-law of the groom; Charles Brazwell, of Knoxville; and Joseph Brazwell, of Chicago.

A reception was held at Ridge Hall immediately following the ceremony.

The bride is attending Duke University, Durham, N. C., and will graduate in August. She graduated from Oak Ridge High School in 1949. Lieutenant Ramey graduated from Oak Ridge High School in 1947 and the University of Tennessee in 1951 before entering the service. He is stationed at Fort Hamilton, Brooklyn, N. Y.

Chemistry Division on his return to work after an illness.

R. L. Caldwell, of Isotope Research, and his family really got around on their recent vacation—they visited Niagara Falls and Toronto, Canada; and went to Cincinnati, Ohio, for the Cincinnati Reds-Philly baseball game. . . . Congratulations are extended to Leon Love and his wife, Catherine, former Y-12er, who are the very proud parents of a baby boy whom they named Russell William—he weighed eight pounds on arrival June 9, at the Oak Ridge Hospital. . . . The department welcomes O. B. Rudolph and Harris Dunn back to work after their absence because of illness.

Health Physics folks congratulate Bob Rutherford on his recent marriage. . . . Frank Ballenger has returned from vacation in Florida. . . . Mary Stooksbury and her husband, Harold, went down thataway to Daytona for vacation this week.

The co-workers of "Preacher" Belitha Henley in the Janitors Department welcome him back after a long illness.

M. E. Short, of Field Maintenance, was given a hearty welcome back after his stay in Fort Sanders Hospital in Knoxville. . . . We sincerely hope all the folks—too numerous to mention their names for lack of space—on vacation this week are having a swell time.

W. S. Arnold and E. W. Pites, of Electrical Maintenance, attended a training session with General Electric in Milwaukee, Wis., last week. . . . The many people who were on vacation last week are welcomed back to work with the hope that they all had a pleasant time.

Capt. M. L. Woodward, of the Guard Department, is on a two-week vacation—he planned to attend a family reunion in Milan, Tenn., then go on to Florida for a spell. . . . The rest of the boys vacationing from the department didn't give us a clue as to where they planned to go; anyway, we hope they get a lot of rest and have fun—maybe we'll get a report from these folks when they return.

Jean Nussmeyer, of Uranium Control, enjoyed a recent vacation in New Orleans, La. . . . Flora Coefield and Elizabeth Wilson attended the Holston Methodist Young Adult Conference in Bristol, Va., over the week end. . . . The department welcomes Charles Williams, Robert Kees, Bob McMillan and Jodell Oakes to the roster.

AUSTRALIAN TESTS LOOM

It is reported by the United Press that two British ships have arrived at Freemantle, Australia, with men and equipment for Anglo-Australian atomic tests, probably in September. Strict secrecy surrounds the arrival.

Too much celebrating has kept many men from becoming celebrated.

LITTLE GIRL, LITTLE FISH—big girl and lots of fish. Y-12's feminine anglers also are in action these days as shown in the contributed pictures above. At top is little Brenda Campbell, 4, daughter of Edna (Cafeteria) and Carl (Transportation) Campbell. Below is Janet Cisar, of the ANP Division, proudly displaying her "beginner's luck" catch caught in Fort Loudoun Lake.

Evan Means Heads Playhouse Group Staging Melodrama

Evan Means, of the Y-12 Electrical Maintenance Department and veteran stage manager for the Oak Ridge Community Playhouse, has been named chairman of the playhouse committee staging the annual melodrama of the group. The attraction chosen this year is "The Drunkard," which will be presented for a 10-night stand, beginning Tuesday, August 5, at the Oak Terrace ballroom. Tryout dates will be announced soon, Means stated.

Dr. A. D. Callahan, of the Oak Ridge National Laboratory and stationed in Y-12, was elected to membership on the playhouse board of directors last week. Other Y-12 members of the board include Charles Blake and Dr. Alexander Hollaender.

Illinois Scientist To Talk At Physics Seminar Meeting

Dr. Hans Frauenfelder, of the University of Illinois, will be the principal speaker at the meeting this week of the Oak Ridge physics Seminar. The session will be held at 4 o'clock Friday afternoon in the East Lounge of the Ridge Recreation Hall.

Dr. Frauenfelder's topic will be "Angular Correlation and the Interaction Between the Electron Shell and Nucleus."

Y-12 TEAMS ARE SEEKING BETTER MARKS

Robins Take Last Four Games; Birds Beat Dayton Outfit

Victory Over Walker Team Prized; Green Girls Almost Triumph

After concluding their best week of the season, both Y-12 softball teams are looking forward to a fine mark in the second half of the Knox-Ridge Leagues, which starts tonight, Wednesday, June 18.

Lose Toughie To K-25

Last week the feminine contingent, the Robins, swept to four victories. The Red Birds broke even, losing a toughie to their old jinx, the K-25 Blues, but trimming the nationally known National Cash Register team from Dayton, Ohio, 2 to 0.

The Robins' most cherished win was over the Cas Walker team by 5 to 2. The loss was the first in five years by a Cas Walker outfit in a league contest. The victory was doubly sweet as the Robins got revenge for a previous beating taken in Knoxville. The Robins' other wins were over Gus Green by 12 to 11, one that almost got away and captured only in an extra inning, and a 7 to 5 win over Athens in a preliminary to the Dayton-Red Birds game Sunday night.

Future Games Listed

The Red Birds go to Knoxville Thursday night of this week to play Southern Bell and will entertain Bell Ave. Baptists at Oak Ridge Friday. The Robins play Gus Green at Oak Ridge next Tuesday in a preliminary to the K-25 and Miami Flyers game. Next Sunday the Robins will play the Canton, N. C., lassies at Oak Ridge. Both Y-12 teams go to Harriman on June 28 and will meet the Harriman teams at Oak Ridge in a twin bill July 12.

Line scores of Y-12's recent games follow:

Team	R	H	E
Cas Walker	002	000	0—2 4 4
Robins	220	010	x—5 7 2
Lee and Akers. Koontz and Hobson.			
Gus Green	000	704	00—11 5 6
Robins	031	140	21—12 8 3
Wetzel and Clark. Koontz and Hobson.			
Athens	000	104	0—5 7 1
Robins	001	330	x—7 5 2
Osborne and Norwood. Koontz and Roberts.			
Dayton	000	000	0—0 1 3
Red Birds	000	020	x—2 2 2
Johnson and Stahl. Loy, Perry and Morgan.			

Orioles Will Meet MSI Outfit Tonight; Are Beaten By AEC

The Y-12 Orioles, slow pitch team of Manager Elmore Koons, is scheduled to meet the Management Services team at 8 o'clock tonight, Wednesday, June 18, at Middletown. Three other games are on tap in the league schedule, beginning at 6 o'clock. The Management Services team is composed of many of the City Recreation Department team of last year that won the loop championship.

The Orioles had a tough time of it last week in losing to the previously undefeated AEC team by the score of 13 to 11. The Y-12ers scored 10 runs in the first inning with two out and then folded for the rest of the night.

SOME DO—SOME DON'T

The Paducah, Ky., Sun Democrat quotes George W. Hubley, Jr., executive director of the Kentucky Agricultural and Industrial Development Board, that although some communities of that state do not want an atomic energy plant, far more are interested in obtaining such a project.

Engineers and 49ers Keep Clean Records To Lead Races In Carbon And Carbide Loops

Bums Bounce To Second Place With Two Wins

The 49ers didn't play a game last week, but held first place in the Carbide Loop with an undefeated record. The Bums took over second place and the Uranium Control lads jumped into third in a close race.

The Bums copped a couple of contests, whipping the Hopslurps by 12 to 9 and the Duds by 20 to 2. The Uranium Control lads won two with an 8 to 5 win over the Duds and a victory over the Hobslurps by 6 to 4.

In other Carbide League engagements Bldg. 9212 smothered the Sparks by 8 to 4 and the Peons edged the Sparks by 10 to 9.

Line scores and standings follow:

Team	R	H	E
Sparks	000	040	—4 3 2
Bldg. 9212	021	32x	—8 7 1
Whited and Lenier. Beiry and Barker.			
Peons	200	71	10 7 2
Sparks	018	00	9 5 1
Gallimore and McHarge. Whited and Everett.			
Hobslurps	303	012	0 9 7 1
Bums	040	044	x—12 13 4
Kasten and Sangren. Shugart and Dodson.			
Duds	020	012	0 5 6 1

Fat Boys Maintain Lead In League; Miller Low Scorer

The Fat Boys held their lead in the Y-12 Golf League last week with a two-point victory over the Eagles. In other matches the Rippers took two from the Four Woods, the Shankers whipped Bldg. 9212, the Rough Riders routed the Hooks, the Rebel topped the Rough Riders and the Four 100s and the Grand Slammers socked the Turf Riders.

Miller, of the Four Woods, was top scorer with a 36 scratch and 30 handicap tally. The Turf Riders tallied a 159 scratch and the Shankers a 142 handicap.

League standing follows:

Team	W	L
Fat Boys	16	2
Rippers	14	4
Turf Riders	12	6
Shankers	12	6
Eagles	11	7
Rough Riders	11	7
Rebels	8	10
Grand Slammers	8	10
Four 100s	7	11
Hooks	5	13
Bldg. 9212	2	16
Four Woods	2	16

Varsity Golfers Idle Until June 30

The Y-12 varsity golf team will be idle until the two-week period beginning June 30 in the Smoky Mountain Golf League, drawing a bye in the league schedule. The next match for the Y-12ers will be against the Rohm and Haas golfers of Knoxville. The Y-12 team, defending league champions, have won each of their two matches to date.

Remember—Only you can PREVENT FOREST FIRES!

Y-12 SPORTS

Y-12 Team Combats Presbyterians; Win Second Scrap

The Y-12 entry in the Oak Ridge Recreation League will meet the First Presbyterians in the opening game of the slate tomorrow night, Thursday, June 19, at Middletown. The Y-12ers kept their record clean with a 9 to 2 win over Kaighen and Hughes last week with Ed Sise hurling two-hit ball.

Sise whiffed 13 batters in this match. His battery mate, Barker, socked a double and triple. Fine fielding by Bill Wright helped Sise in his win.

The line score follows:

Team	R	H	E
K-H	020	000	0—2 2 4
Y-12	020	142	x—9 5 2
Welchel and Bain. Sise and Barker.			

Y-12 Tennis Team Takes Two Matches, Captures First Half

What is probably the best men's tennis team ever assembled in Y-12 clinched the championship of the first half of the season of the Oak Ridge Tennis League last week with a pair of victories. The wins, over AEC and K-25, gave the Y-12ers a six won and none lost record.

Y-12 netters will compete in an open midseason tournament to be held in Oak Ridge, beginning the latter part of this week. Y-12ers wishing to enter the event may obtain information and entry blanks from Fred Hurst, captain of the Y-12 team, plant telephone 7239.

The Y-12ers trimmed AEC by three points to none in a match cut short by rain. Nate Smith, of Y-12, beat M. Cremen 6-4, 6-4; Don Smith and P. Baker trimmed Behrmann and partner by 6-2, 6-0, and George Wells and L. Mann won by default. Jack Ransohoff and Fred Hurst were leading their opponents in singles when the engagement was halted.

Against K-25 Nate Smith beat Thaler 6-2, 6-3; Ransohoff routed Nimmo 6-2, 6-1; and Hurst trimmed Michel 6-2, 6-4. In doubles Don Smith and Baker dropped Harrison and Gover 6-2, 6-2 and Moore and Mann won by default.

BRITAIN ISSUES WARNING

News reports from London recently quoted Field Marshal Sir William Slim as warning "that any nation dropping an atom bomb on England will get 20 back." He is chief of the imperial general staff.

Three Y-12ers Enter Sports Entertainment Field Operating 'Hot Rod' Race Speedway

As a side line fling into the sports entertainment field three Y-12ers have joined forces in operating a "hot rod" automobile race track on Edgemoor Road a short distance east of the Clinch River bridge. They are M. L. Stephens, Harold Hawkins and Eugene Canady, all of Electrical Maintenance.

The Y-12ers have entered into an agreement with the East Tennessee Hardtop Racing Association for the staging of weekly races

14-Inning Tilt Marks Play In Smaller League

That 14-inning clambake between the Engineers and Guards, with the former team winning by 7 to 6, featured Carbon League play last week. The victory kept the Engineers' record unblemished and their lead intact.

The victors salted it away when Wilson scored all the way from first base on a single by Hardy in the top of the last round. The Engineers led until the seventh when Hall poked a homer for the Guards to tie it up. Both teams tallied twice in the 10th. The win placed the Engineers on top at the end of play through last Friday.

The Engineers followed up this victory with a 23 to 4 slaughter of the Short Circuits with Bill Koons allowing but two hits. Meanwhile the Guards took a hitch in their bitches and rallied to cop two games. They whipped the Rusty Nine by 15 to 2 as Hammer gave up only three hits and Henry The Mouse Krause had a four-for-four record at the plate. In a makeup game between the same teams the Guards again triumphed by 16 to 12.

The All Thumbs picked up a forfeit win from the Grocers when not enough potato clerks showed up for the game.

Line scores and standings follow:

Team	R	H	E
Short Circuits	0	0	2 0 2—4 2 2
Engineers	5	10	7 0 1 x—23 25 2
Whitehead and Braatz. Koons and Morris.			
Rusty Nine	0	0	1 0 0 0 1—2 3 2
Guards	12	2	0 1 0 0 x—15 12 4
Smith, Burnett and True. Hammer and Edgemond.			
Guards	154	222	—16 14 4
Rusty Nine	210	801	—12 5 3
Darby and Edgemond. Burnett and True.			
Engineers	120	010	000 200 01 7 12 1
Guards	001	110	100 200 00 6 9 2
McAllister, Koons and Morris. Wilson and Honeycutt.			

STANDINGS THROUGH JUNE 13

Team	W	L
Engineers	5	0
Guards	5	1
Rusty Nine	2	3
Grocers	2	3
All Thumbs	1	4
Short Circuits	0	4

Y-12ers Take First Company Match

The Y-12 golf team won the first Oak Ridge inter-company match of the season last week with a low score of 121 points. Trailing in order were the Independents with 124½, Oak Ridge National Laboratory with 188½, K-25 235½, AEC 245½ and MSI 259. Jack Spears, of Y-12, was medalist with a 78 scratch and 66 handicap score.

The trouble with being a good sport is that you have to lose in order to prove it.

Annual Report Of Red Cross Chapter Is Interesting To Y-12ers Whose One-Day Whirlwind Plant Campaign Contributed \$4,985.15

The Oak Ridge Chapter of the American Red Cross is completing one of its most active years of existence, according to the annual report of chapter activities released recently by George W. Flack, chairman of the chapter. Flack, Assistant Industrial Relations Superintendent for Y-12, will complete his term as chairman on July 1 and be succeeded by Leo W. Grant, Oak Ridge business man.

The more than 97 per cent of Y-12 employees who contributed \$4,985.15 to the annual Red Cross fund drive last spring in an all-time record one-day drive, are expected to be interested in the highlights of the report, which covers a wide variety of activities during the past 12 months.

Home Service Prime Obligation

When the new chapter officers begin their administration on July

1 Paschal Hamrick, of the Y-12 Personnel Department, will become fund drive chairman, succeeding Carl Martin. Hamrick was in charge of the efficient one-day campaign in Y-12. He also is a member of the board of directors of the chapter, as is Flack and Jesse M. Herndon, also of Y-12.

Discussing Home Service Work of the chapter, the Flack report points out that such activities are the primary obligation of every chapter. Home services include counseling in personal and family problems, assistance with communications on behalf of members of the armed services and their families, providing reports for military authorities and the Veterans Administration when requester, referral service and financial aid. This financial aid in provided servicemen and their families pending receipt of funds due from the government and in cases of emergencies. During the past year services of various kinds has been given 756 servicemen, 213 veterans or their dependents and 114 civilians.

Blood Donors Program Important

Another major phase of the chapter work is the blood donor program. Since July 1, 1951, a total of 1,582 pints of blood have been supplied through the chapter by volunteer donors. This blood was for the use of the Oak Ridge Hospital and Oak Ridge residents hospitalized elsewhere. This was in addition to the generous contributions of blood by volunteers for the armed services through visits of the Red Cross Blood-mobiles.

First Aid and Accident Prevention activities included classes in standard and advanced first aid and the first aid detachment has offered its services for civil defense. Also active was the Life Saving and Water Safety section with 1,872 persons enrolled in swimming classes in which life saving instruction was given.

Service Groups Grow

Widely varied activities are included in the Service Groups of the chapter. They include the Gray Ladies, Staff Aides, Social Welfare Aides, Motor Service and Production Service. Each of the groups has added personnel during the past year and the scope of work increased.

At request of the civil defense authorities, the chapter has accepted responsibility for emergency shelter and feeding under the Disaster Preparedness and Relief section. The chapter's disaster plan has been carefully reviewed and an institute will be held to train personnel.

During the past year the Junior Red Cross has grown substantially with pupils of Oak Ridge schools having enrolled 100 per cent. Among its activities, the Junior Red Cross made many articles for servicemen in hospitals and at Easter 30 members of the JRC entertained patients at the East Tennessee Crippled Children's Hospital in Knoxville.

Nursing Instructors Needed

Home Nursing activities included a training course that provided a total of six instructors with home nursing classes being held regularly. However, the Flack report points out, more such instructors are needed, particularly in civil defense work. During the period 14 nurses have enrolled as Red Cross nurses, some of whom serve with the Bloodmobiles on their visits to Oak Ridge.

The report of the retiring chairman is concluded with the statement that a total of \$26,291.97 was collected during the 1952 campaign. The chairman expressed thanks to the public and contractors of Oak Ridge for their support and also to newspapers and radio stations for cooperation given in the year-around program of informing the public on activities and objectives of the chapter.

"MAKING MUSIC INTERESTING" IS THE THEME IN THE Pine Valley classes conducted by Piano Instructor Miss Doris Diseker. In the pictures above are a group of second graders and their parents and friends, many of them Y-12ers. At left, with Miss Diseker at the piano, the youngsters play at being an orchestra under direction of Patsy Adams, whose father is a K-25 employee. Children of Y-12ers in the picture include Sharon Bays, Margaret Moore, Freddie Thomas, Marilyn Brewer, Kathleen Threewitt, Sandra Dickerson, Marshall Thurman and Kenny

Self. At right some Y-12 mothers and pre-school children applaud the work of the young musicians. Y-12 mothers include Mesdames Frank Thurman, V. H. Moore, James W. Brewer, Fred Threewitt, H. L. Dickerson and Manford C. Bays. One father, James W. Brewer, also was present. Children of Y-12ers shown include Although school is out, Y-12 youngsters were active in other similar classes throughout the past year in Oak Ridge.

Wife Of Y-12 Safety Man Presented Award

Continued from Page 1

deemed advisable not to have the latter take their attention away from their principal objective—the protection of other children in the school areas.

License Numbers Taken

Each of the special patrol groups then began making their selections of the most courteous drivers observed. The selections were made by writing down the license number of the vehicle and whether the driver was a man or a woman. No attempt was made by the patrol members to obtain names at that stage of the event.

Identification of the owner of the automobile driven by the courteous drivers was obtained from the State Highway Patrol. These names, in turn, were checked by the Oak Ridge police to ascertain if any traffic citations had been issued against them.

With patrols in each of the nine city schools submitting nominations, reports were compared to select the winner of the week for four weeks. Of the nine nominees, three were selected each week with the winner of that period being decided by the weekly safety quiz on the radio.

Campaign Declared Successful

Simmons is highly pleased with the success of the campaign and, with other Oak Ridge safety authorities, is hopeful that the event will help to inculcate an even higher spirit of the necessity of observing traffic safety and courtesy among Oak Ridge drivers.

Anyhow—let there be no more cynical wise cracks about the carelessness and selfishness of women drivers.

Rides Wanted And Offered

Four Riders Wanted—From Rockwood, straight day. J. C. Howard, plant telephone 7391.

Riders Wanted—From Inskip, via Schaad Road, straight day F. E. Shipley, Jr., plant telephone 7783.

Riders Wanted—From Beaumont section and North Central Ave.,

Setting Good Safety Example Important For Parents Wanting To Protect Children

Y-12 parents intent on shielding their children from accidents on the streets or at home could well heed a recent story in the Texaco "Safety Digest."

Says "The Digest:" "No amount of safety education given a child by parents can be completely effective unless the mother and father observe safety precautions, too. In safety, as in everything else, children absorb the attitudes of their parents and copy their behavior."

"Telling Johnny to cross the

street only when the light is green is not going to seem important to him if he sees his father dashing across on the red. If Mary sees her mother standing on a wobbly chair to get something down from the cupboard, she's not likely to use a ladder or other sturdy support when one is needed.

"If we make sure that our ways of doing are reasonably safe and correct we will find that our children are likely to develop safe practices, too. They will take pride in acting as Mommy and Daddy do and will soon learn that the safe way is really the best way."

Planned Vacations Service Is Offered

Continued from Page 1

Long's. This fee is mailed direct to the firm at Appleton, Wis.

However, any Y-12er wishing to take advantage of the travel service offered may obtain one of the booklets and application blanks by dropping into the Recreation Office at any time during working hours.

The following Y-12 employees were patients in the Oak Ridge Hospital last week: Samuel E. Burkhalter, Field Maintenance; Ernest I. Griffin and Bennie A. Sheppard, Stores; Lloyd A. Michaels and Robert Mason, Administrative Normal; Richard E. Cofield, Jr., and Earl L. Price, Analytical Laboratory; Smiley B. Ward, Electrical Maintenance; Lee E. Maxwell, Guard Department.

Group absentee percentage was 2.3 per cent, .2 per cent higher than the preceding week.

The plant average for the week ending June 8 was 2.9 per cent, .4 per cent higher than the preceding week.

Camera Club Planning Picnic For August

The Carbide Camera Club will skip its regular July meeting because of the summer holidays and has set an outing to be held sometime in August before resuming meetings in September, according to Janet Cisar, of the ANP Division in Y-12 and vice president and program chairman of the club.

Plans for the picnic in August will be announced in the near future. The program and date for the September meeting also is expected to be revealed in the near future.

At the June meeting of the Carbide Camera Club held Tuesday, June 10, in the club headquarters, the program was featured by a demonstration of portrait making by Robert Freestone, a member of the club from Oak Ridge National Laboratory. He used his two young daughters as models and will show the prints of the pictures at the next meeting of the club.

Fellow Employees Attend Henry A. Strevel Funeral

Several fellow employees of Henry A. Strevel, 39, of the Y-12 Guard Department, who died last Wednesday, June 11, paid their last tribute to him at funeral services held Friday, June 13, at Rose Chapel, Knoxville. Burial was in Greenwood Cemetery. The Rev. Frank Porter, of the Oak Ridge First Methodist Church, conducted the services.

Strevel came to work in Y-12 on April 12, 1951, after having been employed in a similar capacity at Oak Ridge National Laboratory for eight years. He became ill on March 4 and died at his home, 116 West Pasadena Lane.

Survivors include his widow, Mrs. Josephine DeMarcus Strevel; a daughter, Erma Joanne Strevel; a son, Victor Henry Strevel, all of Oak Ridge; and three sisters, Mrs. Roy Vineyard, whose husband works in Y-12; Mrs. Cleo Todd and Mrs. Vaughn Keller, all of Knoxville.
